ICT IN TEACHER TRAINING PROJECT

With the experience gained from the implementation of the various ICT in Education projects in the Asia-Pacific region since 2002, the UNESCO Bangkok Office, through this project strengthened a network of Teacher Education Institutions (TEIs) in the Asia-Pacific region by developing their capacities in training teachers to use ICT effectively.

Use ICT to reach the unreached

Sponsored by South-South Cooperation Fund in Education. Donated from G-77 & China for ICT in Education Teacher Training Project in Asia-Pacific Region.
